Our hooked on sport score is: _____

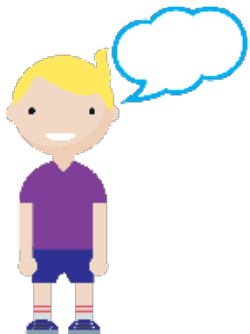

The hooked on sport score for the whole country is: _____

In 2015 pupils from our school filled out a school sport survey. They answered questions about sport. We will use their answers to plan school sport. We want you to be involved in this.

This action plan will help you look at the 4 important areas of sport to:

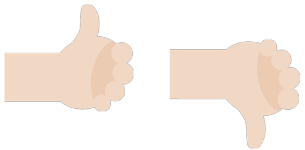

- find out what we do well
- give your views on why you think we do it well
- give your views on what we need to do better
- give your ideas on how the school can do things better.

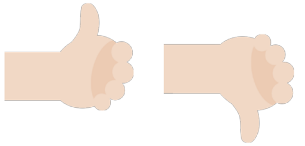

1. Keeping healthy and safe

_____ in _____ pupils said they felt comfortable taking part in school sport and PE.

This is **better / worse** than in 2013. (Please circle)

This is **better / worse** than other schools in the country. (Please circle)

What did the survey say we do well?

Why do you think we do these things well?

What things do we need to do better?

What is the most important thing that we should do better?

How can the school make this happen?

Who should be in charge of doing this?

When should it be done?

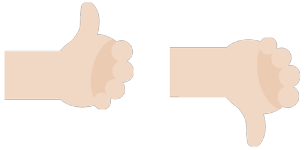

What is the result? (Fill this out in 2017)

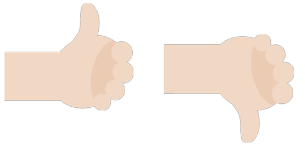

2. Taking part and having fun
