

SPORT WALES PRINCIPLES - DRIVEN INVESTMENT APPROACH

CREATING AN EQUAL, DIVERSE & INCLUSIVE WELSH SPORT SECTOR

ENHANCING WELSH SPORT

CAPACITY

DESCRIPTION

We will invest in partners that actively create an equal, diverse and inclusive (E,D&I) sport system in Wales.

We will invest in partners that use their insight and expertise to strategically support other organisations to continuously improve sport in Wales. To support this, we will invest in partners that are flexible and adaptable to changing needs.

We will invest in partners that have the capacity to impact sport in Wales.

This principle will be used to weight an organisation's score to take into account their size and scale.

50% of total weighting

30% of total weighting

20% of total weighting

A weighting of between 0.1 and 0.9 applied to the total score

WHAT?

REACH

FOCUS ON E,D&I

USE OF INSIGHT

ABILITY TO INFLUENCE

CONTINUOUS IMPROVEMENT

ABILITY TO DELIVER

CRITERIA

Who does the partner serve?

To what extent is ED&I a priority for the partner and its work?

To what extent does the partner work with others?

How does the partner gather and use data & insight?

What expertise does the partner have and how does it share it?

How does the partner influence and inspire others?

How does the partner learn and reflect to continuously improve their offer?

How is the partner responsive and flexible to changing needs?

How does the partner anticipate and uncover opportunities to meet the needs of future generations?

What is the partner's capacity in Wales to impact sport?
